ALL WRONG.

The Mistake Is Made by Many McConnellsburg Citizens.

Look for the cause of backache. To be cured you must know the cause.

If its weak kidneys you must set the kidneys working right. A McConnellsburg resident tells you how.

Mrs. Lucinda Clevenger, Water St., McConnellsburg, says: "My back ached badly and I couldn't do my housework. I had dizzy spells and chills and was annoyed by the kidney secretions. Often swellings appeared under my eyes and I was very nervous at night. I was troubled with rheumatic twinges. And Doan's Kidney Pills removed all signs of the trouble. I procured them at Trout's Drug Store."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Clevenger had Foster-Milburn Co. Props., Buffalo, N. Y.

If you knew that on each Sunday of the year there was a Magazine printed that had in it something that would interest each and every member of your family, you would more than likely see to it that this Magazine came to your home regularly.

The Magazine Section of "The Philadelphia Press" is filled with selected fiction, articles on science literature, poetry, art, two pages of foreign and American cartoons and a page of fun. The Magazine is handsomely illustrated, and printed in color, and is truly a magazine for the entire family.

Water and Kerosene

YOU'RE mighty careful about the water you drink—and so you should be. You want to know where it comes from and the probability of its purity. If you have any doubt whatever of its purity, you will not drink it, because you realize the danger of it being infected with bacteria. That's showing your good common sense.

Suppose you apply this same common sense when buying kerosene. What's the sense of paying for a poor quality kerosene when you can buy the best and pay no more for it? The next time you buy kerosene ask your grocer for

ATLANTIC Rayolight OIL

Insist on that kind because you get the most for your money. You're buying kerosene that burns longer and brighter, and gives out the greatest heat. Because it is pure and high grade it will not char the wick nor cause soot and smoke. It does not create unpleasant odors when burning.

Our scientific process of refining has eliminated all these objectionable features found in low-grade, common kerosene. Insist on having Rayolight Oil just the same as you would insist on having pure water.

Atlantic Rayolight Oil is a Sewing Machine Tonic. It just puts new life into the machine. Drop into all the oil receptacles, let it remain for twelve hours, then run the machine, without threading, for five minutes, wipe clean and oil in the usual way. New on you? Well, perhaps you've got a use that's new to us; if you have, in a short while, if you read these advertisements, you'll see something of interest.

The **WHITE**

is a real bargain because it is sold at a popular price; because it gives you the kind of sewing you delight in; because it will turn out the work quickly and thoroughly and give you a life time of satisfactory service; because its improvements will enable you to do things which can't be done on any other machine; because it will please you with its fine finish and beauty of its furniture. In short you will find the White reliable and desirable from every point of view.

Be sure to see the White dealer who will be glad to show you how good a machine the White is. If there is no White dealer handy, write us direct for catalogs. We do not sell to catalog houses. Vibrator and Rotary Shuttle Machines.

—DEALER IN—

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Tuner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.
